

# AVINA AFROZ

xxxx, CA

(xxx) xxx-xxxx ♦ xxx@xxx.xx

## EDUCATION

---

**Univerisity of California, San Diego**

*September 2020 to June 2023 (expected)*

B.S. in Human Biology; Cumulative GPA: 3.55

**Relevant Coursework:** Biochemical Techniques Lab, Organic Chemistry Lab, General Chemistry Lab, Introductory Biology Lab, Human Physiology, Biology, Chemistry, Genetics.

## OBJECTIVE STATEMENT

---

Passionate third year student interested in gaining medical experiences in which I can utilize my phlebotomy-related knowledge and lab/medical protocol skills to provide efficient patient care.

## EXPERIENCE

---

**University of California San Diego Health, San Diego, CA**

March 2022 to Present

*Volunteer*

- Provides care and comfort to Postpartum patients. Assists nurses and staff with patient care, medical errands, and medication distribution.

**Adventist Health Glendale, Glendale, CA**

September 2022

*Phlebotomy Student Extern*

- Worked 20 hours in the Emergency Room drawing patients' blood, running point of care tests, and assisting nurses with patient care. Worked 6 hours in the outpatient lab drawing adult and pediatric patients' blood.
- Experienced the value of teamwork and compassion while running procedures to assist in quality patient care.

**Phlebotomy Externship, Los Angeles, CA**

August 2022 to September 2022

*Phlebotomy Student Extern*

- Worked 48 hours and received 52 venipunctures working on UCLA hospitals and medical sites, and in a free clinic drawing patients' blood and providing efficient patient care.
- Understood the value of comforting patients and gaining their trust, while providing quality work.

**Bangali Student Association At UCSD**

March 2021 to Present

*Co-President*

- Assists in teaching the UCSD student population the Bangali language, social justice issues in Bangladesh, and the culture through social media. Organized community events for the students.

## QUALIFICATIONS

---

**Licensed Phlebotomist**

CPT-1 (License Number:xxxxxxx)

*October 25, 2022-October 24, 2022*

Certified under UCLA Center for Prehospital Care

*July 2022-August 2022*

**Lab Experience**

SDS-PAGE, Gel Electrophoresis, Affinity Chromatography, Size Exclusion Chromatography, Bacterial Cell Transformation, Western Blot, ELISA, Spectrophotometry, Titrations, EcoPlate Analysis, Synthesizing and Analyzing an inorganic compound (iron oxalate).
